Our logo tells the story of our company and our approach to everything we do.

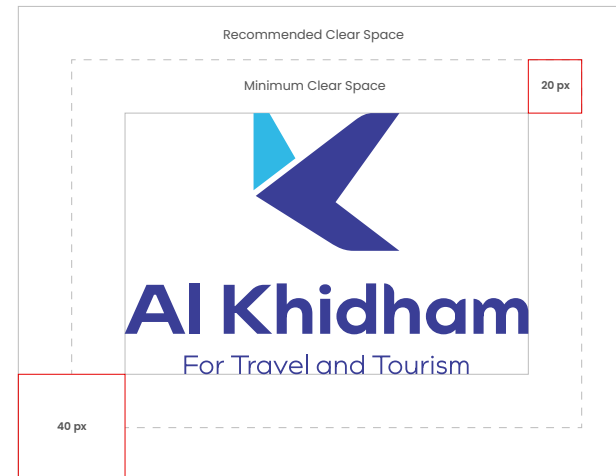

The logo basically expresses the plane that forms the flight movement and the letter K and the shape of the bird.

LOGO CLEAR SPACE

The logo height defines the clear space and equals one base unit (20px).

In some cases (e.g. for perimeter advertising in a stadium), it is necessary or useful to fall below the minimum clear space.

MINIMUM LOGO SIZE

Al Khidham logo is designed to be legible even when used at very small sizes on app screens or in print.

Al Khidham logo with strap-line must be sized to maintain the legibility of the strap-line.
